The HCV (Section 8) Program is a federally funded housing program administered by the Union County Housing Authority. The program provides rental assistance to extremely low- and low-income households in Union County.

A family eligible for assistance is issued a Housing Choice Voucher when they are available. The family then searches for a housing unit in the private market which must meet the requirements of the program. If the unit passes an inspection, the UCHA will sign a contract with the landlord and the family will sign a lease agreement with the landlord. Based on the family's income and other allowances, the tenant pays a portion of the monthly rent and the Housing Authority pays the remaining portion of the rent directly to the property owner.

Eligibility for participation is based on family size and income as follows:
